

Viña Esmeralda

The wine that suits you best

Description

In the mountainous area of the Upper Penedès the more delicate and aromatic white grape varieties are grown. Moscatel and Gewürztraminer form the basis for Viña Esmeralda, an exceptionally delicate and strikingly fragrant wine.

Origin

This wine takes its name from the emerald colour of the Mediterranean and is made from the varieties Moscatel de Alejandría (85%) y Gewürztraminer (15%).

Serving suggestions

Excellent with shellfish (a sublime match for an avocado and shellfish salad, for instance), as well as with fish, fresh melon with cured Spanish ham, pâtés, poultry or pork in a sweet and sour sauce. Serve at 11°C.

Tasting Notes

A voluptuous, exotically perfumed nose, with deliciously well-defined primary aromas (some floral notes, roses, lilies...), complemented by secondary aromas derived from the wine's controlled fermentation. Silky and sappy on the palate.

Grape Varieties

Gewürztraminer

It is cultivated in our Mas Jané, Fransola and Montagut (Penedès Superior).
